

Fundraise with Burlington Paint & Sip Studio!

In-Studio Fundraisers:

Doing an in-studio fundraiser is a great way to interact with your supporters face-to-face while raising money for your cause. Once a date and painting is determined, we will post it on our website so you can alert your supporters to purchase tickets, and anyone looking at our calendar can see your event as an option for them to choose. The more people who attend, the more money you make.

When 10 people attend you start earning \$5 a head, and at 20 people you earn \$10 a head. If you “pack the house” and sell out all 45 seats you get a \$50 bonus for a donation of \$500!

You can also take advantage of the opportunity to inspire your supporters to donate in other ways. Host a bake sale during your event, hold a raffle, etc. The time of your event is yours to use as you like.

Travel Fundraisers:

Don't want your group to have to come to the Burlington Studio? We can come to you! Our travel fundraisers work a little differently, but you can still earn more money by selling more tickets! For travel events you sell the tickets directly to your supporters for the price you determine. At the event you pay us \$25 per participant. Please note that travel fundraisers require a 20 person minimum and may include a travel fee based on where the event is located.

Virtual Fundraisers:

People stuck at home, or located all over the state/country/world? Host a virtual fundraiser! The way this works is twofold; kit sales and virtual instruction.

Virtual instruction costs \$200 for a 2-hour session with the painting of your choice.

Kits include canvas, paint and brushes and you pay \$28 each. You can distribute your own kits for have participants pick them up at our studio during specific hours.

Your supporters can participate with or without purchasing the kit, and you can charge what you want for the kits and the virtual instruction. Zoom links for your event are provided by us and are not recorded.

Both the kit and viewing fees are collected by you and you pay us. If you have 20 or more kits sold, we waive the virtual instruction fee.

Email us at info@burlingtonpaintandsip.com for questions and/or to book your fundraising event!
